Magnavox MRD410B/F7 Blu-Ray Home Theater [E1S10UD]

Firmware Update Version 1.002

PLEASE NOTE: Firmware updates are completed at the Owner's risk. Any damage done by not following these instructions will void the Manufacturer's warranty!

This firmware update will correct issues with the "Fun Link" feature when connected to certain television models.

The update is for model number **MRD410B/F7** <u>only</u>. Do not use this update for any other Magnavox product. If you attempt to update any other model, the firmware disc will be rejected by the product.

Firmware Installation Procedure

- 1. Turn on the home theater unit. If there is a disc in the unit, remove it and close the tray.
- 2. Press the [SETUP] button on the remote to display the Setup menu.

3. Press the **down arrow** button **[▼]** once to select the **Custom** menu, then press the **[OK]** button.
